

WHAT'S YOUR RESOLUTION?

The New Year comes and goes and chances are that by February your resolution has gone out the window.

MAKE AN IMPRESSION

These gorgeous stars are an amazing addition to your event. Available in a variety of shapes and sizes, they self-inflate with an internal fan and can be internally lit, however they can also be quite an

amazing feature to project lighting onto.

There are a variety of styles and sizes to choose from, ranging from 1.5m to 10m wide. You'll find them at www.dreamweavers.com.au

TIDY UP

Call it an unproven theory, but event organisers could quite possibly have the messiest work surroundings. Stacks of proposals, specs, floorplans and invite lists pile up on top of brochures for venues and destinations.

And if you're like our team here, eating lunch at your desk is a necessity, which sadly means icky crumbs in the keyboard!

This USB mini vacuum with a retractable cable will help you give your desk a proper tidy. And it even has an LED light that lets you see into those tricky little spots.

You'll find these gadgets along with lots of others at www.pccasegear.com

GET ORGANISED

Let's face it – travelling can be absolutely exhausting. And who wants to be bothered wrapping up your full-sized bottles of shampoo

and conditioner in plastic to prevent a sudsy nightmare when you open your suitcase?

Here's a perfect treat for the travel-weary planner looking to be pampered.

This little pink bag contains travel size shampoo, conditioner, body wash, moisturiser, face washer, exfoliating glove, travel journal/photo album, luggage lock, luggage tag, pen and bookmark and it's small enough to take everywhere.

Get it at www.sohokiss.com.au with 24-48 hour delivery for \$49.99

LOSE WEIGHT

OK, so the dieting didn't work, but you can take a little weight off by carrying around this little gadget. This is the world's slimmest USB Flashdrive and its credit card size allows it to be easily tucked into a wallet.

On top of its unique size, the card also gives you a large, double-sided area to brand with your company or event logo or any other graphic. Use it to store images and information about an event or venue,

or load it up with your marketing info and send it to clients.

You'll find this lightweight treasure at www.youvebeengifted.com.au or by calling 1300 308 459.
